THE FOURTH

Introducing GOT JUNK 003, Goldfingers. our third edition—an exploration of the juncture between art and production. Our gallery’s evolution has brought this relationship into focus, shaping an Online space that emphasizes new forms of engagement.

Mirroring the dynamic landscape of artistic creation, perception, and habitation, we continually mold the gallery into an agile space, that takes on multiple forms, often challenging and poking fun at the very art world we find ourselves in. This transformation imbues us and our collaborators with a platform to reflect the unfolding cultural and creative tides.

By beckoning an eclectic array of artists to submit their works, new and old, GOT JUNK? orchestrates an Online, catalog-based odyssey.

This endeavor aims to bridge the gap between budding enthusiasts and seasoned collectors, offering accessibility to art. In a world often confined to physical spaces, this digital platform emerges to cater to evolving preferences. GOT JUNK 003 Goldfingers is a virtual collection of emerging talents, mid career artists, and local creators—a reflection of shifting cultural and creative currents.
